Section 220 of the Communications Act of 1934, as amended, also allows the Commission, in its discretion, to prescribe the form of any and all accounts, records, and memoranda to be kept by carriers subject to the Act, including the accounts, records and memoranda of the movement of traffic, as well as receipts and expenditures of moneys. Carriers are required to file four summary exhibits along with the underlying data used to generate them, and must provide the depreciation factors (i.e., life, salvage, curve shape, depreciation reserve) required to verify the calculation of the carrier's depreciation expenses and rates. Mid-sized carriers are no longer required to file theoretical reserve studies. Certain price cap incumbent LECs in certain instances may request a waiver of the depreciation rates.
